Are you a highly organized person interested in pursuing photography? Enjoy travelling and discovering locations across the state? An interest in history and historic places? This is the perfect internship for you! Preserve Rhode Island is seeking a Photography Intern to organize our photo library, and to photograph various historic buildings and landscapes across the state. Reporting to the Coordinator, Communications and Events, this person will assist Preserve Rhode Island in its goal of building its foundation for communications.

Key Responsibilities

- Work with Communications team on creating a photography schedule and timeline.
- Organize and maintain the photo library with oversight from the Coordinator.
- Travel to, and photograph, key locations across the state as identified by the Communications Team.
- Identify, in conjunction with the Communications team, select photos for the Photo library.

Location & Time Commitment

This position requires that the person be able to travel to different locations across the state to photograph various historic buildings/landscapes. Additional hours can most often be managed remotely, though occasional travel to the Providence office may be necessary.

Requirements & Preferred Skills

- Enrolled in an undergraduate program- Photography or related major required.
- Ability to travel frequently to locations within Rhode Island required.
- Highly organized and able to take direction.
- Strong computer skills. Proficiency in Microsoft Office (Word, Excel) and Google Products (Drive) required.
- Experience working with camera equipment required.

Additional Details: Please apply by submitting a cover letter, resume, and photography portfolio to Alex Costa at acosta@preserveri.org. Pay is \$15/hour. Start date is flexible but preferred in early June. The internship will last 10 weeks.

About Preserve Rhode Island

Our Mission: To protect and activate historic places for the benefit of all Rhode Islanders. For over 60 years, Preserve RI has been working across the state to protect our historic places through advocacy, engagement, and education. Utilizing our expertise, we work with local communities to find pragmatic solutions to saving and repurposing our historic resources. We believe that historic preservation can play a key role in addressing current societal challenges like affordable housing, community revitalization, economic development, and climate change.
